

SEMINARY GRADUATE

Frank Charles Stanford, son of Mr. and Mrs. Lawrence P. Stanford, 2839 Danaha St., was graduated from Claretian Junior Seminary in Compton. Commencement exercises were held in the Seminary Chapel Sunday afternoon. Stanford plans to enter the Novitiate in Los Angeles later this month to continue his studies for the priesthood.

Arrest Youth

A 15-year-old runaway is in juvenile hall today following his arrest Tuesday on charges of burglary. Local officers said the youth was apprehended shortly after a residence at 4743 Cadison Ave. was entered Tuesday. The culprit was accused of stealing a .22-caliber sawed-off rifle. The gun was recovered.

Old City Hall Converted to House Arts, Crafts Center

The Torrance recreation department is busy converting the old city hall to an arts and crafts center to house its ex-

panded summer program. The program is the largest and the most extensive the department has attempted in this type of activity. Classes are planned beginning the week of June 23, for children, teenagers, and adults.

Children's Art

Moni Gillett, popular teacher of children's art, will be conducting classes for ages 6-15 beginning June 24 on Tuesday and Thursday mornings. Children may enroll in a crafts program that will cover special kinds of crafts such as copper enameling, mosaics, jewelry making and gourd craft. The first class for 10 to 12 years will meet Wednesday and Friday mornings and three weeks beginning June 25.

For 8 to 10 years, the craft class will meet Tuesday and Thursday afternoons. For three weeks, beginning July 1, and 6 to 8 year olds will have their craft class on Monday and Wednesday afternoons beginning July 7th.

The teenage craft class meeting once a week on Monday evenings will begin June 30 and last for four weeks.

The first adult craft class will be mosaics, meeting Tuesday and Thursday evenings for three weeks. Fees for the classes cover the cost of materials needed for class projects.

Workshop Periods

Something different being offered are the workshop periods when the center will be open free of charge to the

public experimenting with a craft or working a project started in a class. No instructions will be provided but materials will be available at the workshops. The two workshops are Wednesday evening for adults, and Friday afternoons for teenagers and adults.

A special open house is planned for the public June 18 and 19 from 2 to 5 p.m. and 7:30-9 p.m. at the arts and crafts center, 1511 Cravens. Anyone interested in any of the summer art and craft activities is encouraged to attend and make reservations since the size of the classes is limited.

Cantinflas to Appear Here July Fourth

Cantinflas, the famous Mexican comedian and humanitarian will be a distinguished guest at the American Legion Fourth of July Fireworks Show and Circus at the Los Angeles Coliseum, show director Harry Myers announced.

At the show Cantinflas will be presented with an American Legion plaque honoring him for his work in bettering relationships between our country and Mexico. The theme of the fireworks show this year is "South of the Border and Around the World" and in keeping with this idea a Mexican-American Queen will be chosen to reign over the spectacular activities.

For many years Cantinflas has been the leading film personality in Latin American countries and more recently has been seen as the star in "Around the World in 80 Days". He is the only man in Mexico who can fill the bull ring in Mexico City when he does his hilarious bull fighter comedy act there. As one of the highest paid movie stars of all time Cantinflas is well known for his many personal appearances for charity. All of the Fireworks Show and Circus proceeds go to Veteran's rehabilitation.
